Vehicle 2: 2006 Hyundai Elantra, red in color
Driver: Jacquelyn JUAREZ, 23 years old of El Paso Texas
Vehicle 3: 2012 Nissan Sentra, blue in color
Driver: Ashley CHAVEZ, 21 years old of El Paso Texas
Vehicle 4: 2012 Toyota Rav 4, gold in color
Driver: Guadalupe ASECIO, 44 years old of El Paso Texas

EL PASO, TX: A woman is hospitalized with life threatening injuries after she is involved in a 4 vehicle crash on Loop 375 south. The crash occurred on Wednesday, August 26, 2015 at around 7:33am when a 2006 Hyundai Elantra was traveling south on Loop 375 near Montwood and was struck by a 2014 Ford F350 truck that was also traveling south. This collision led to a chain reaction that included two other vehicles. A total of 4 vehicles were involved in this crash. Special Traffic Investigators responded to the scene as it was reported that the driver of the Hyundai, 23 year old Jacquelyn JUAREZ had sustained life threatening injuries and was being treated at Del Sol Medical Center. Investigators have learned that traffic was slowing due to a high volume of vehicles on the roadway. At that time, 54 year old Julian CARRIZAL, the driver of the Ford F350, failed to control his speed and struck the rear of Hyundai which led to the multiple vehicle crash occurring. Ashley CHAVEZ, the driver of the Nissan Sentra, sustained non-life threatening injuries and was treated at Providence Hospital East. The other drivers, CHAVEZ and ASECIO, did not report any injuries to police. There were no passengers in any of the vehicles. JUAREZ was last reported to be in critical but stable condition at the hospital. No charges have been filed at this time and the case remains an ongoing investigation...
